

ZOLL Preferred Billing Partner Program

RescueNet Preferred Billing Partners offer one-stop shopping for customers in need of a billing service and an ePCR package. Each partner has their own unique offering for including hosted solutions and low, upfront cost options.

For more information, contact one of our Billing Partners below:

Partner: Accufile
Location: Enid, Oklahoma
Contact: dsmith@lifeemsinc.com

Partner: Crown Consulting & Billing
Location: San Antonio, Texas
Contact: agray@crownbilling.com
Web site: www.crownbilling.com

Company information:

Crown Consulting & Billing recognizes that regardless the type of provider, EMS is about providing the highest level of patient care and customer service to our communities. And as a ZOLL Data Systems' Preferred Billing Partner, we seek to implement and develop strategies that will secure greater reimbursement for our providers and ensure strong communities.

Partner: EF Recovery
Location: Gig Harbor, WA
Web site: www.efrecovery.com

Partner: Emergency Management Resource, LLC
Location: Albany, New York
Contact: chris@emr-llc.com

Partner: Emergicon, LLC
Location: Dallas, Texas
Contact: cturner@emergicon.net
Web site: www.emergicon.net

Company information:

Emergicon was formed to improve reimbursement of pre-hospital providers by focusing on the causes and contributing factors that lead to less than appropriate reimbursement. Emergicon's role is to support your organization while maximizing reimbursement. Our Preferred Billing Partner status with ZOLL Data Systems coupled with Emergicon's Billing Service allows us to guarantee better collection results and lower accounts receivable.

Partner: Evolution Billing Concepts
Location: Yonkers, New York
Contact: hcohen@evolutionbilling.com
Web site: www.evolutionbilling.com

Partner: HGS Service Group, LTD
Location: Anderson, South Carolina
Contact: mac@hgsservices.com

Company information:

HGS Service Group specializes in custom and full-service EMS billing solutions for small to medium sized companies. The security and convenience of a trained staff and high-quality processes enable even the smallest of companies to benefit from the ZOLL Data Systems' advantage with very minimal investment. Smart management mandates the exploration of all available avenues to maximize income while minimizing expenses.

Partner: **Integrated EMS Solutions**
Location: Saginaw, Michigan
Contact: smyers@mobilemedical.org
Web site: www.iemss.com

Company information:

Integrated EMS Solutions is your source for identifying and managing the problems plaguing the EMS industry today -- from maximizing reimbursements to understanding and integrating the newest technologies available that will help you become a premier EMS system in your community.

Partner: **Low Country Billing - Chester County EMS**
Location: Lexington, South Carolina
Contact: todd@lowcountrybilling.com

Partner: **Med Stat Revenue Recovery**
Location: Cohoes, New York
Contact: maquino@empireambulance.com

Company information:

Med Stat Revenue Recovery Systems, Inc. is a full-service EMS billing company. Our revenue recovery system has years of proven success with EMS agencies. We have the expertise required, and our medical billing process outperforms the competition exceeding client expectations. Combining this performance with outstanding customer service is the key to Med Stat's success.

Partner: Parastar, Inc.
Location: Southfield, Michigan
Contact: skleinlein@botsford.org
Web site: www.parastar.net

Company information:

Parastar, Inc. has provided EMS billing, consulting and outsourced management services to fire departments and hospital-based EMS providers since 1987. As a ZOLL Data Systems' Preferred Billing Partner, we use RescueNet Billing to improve the accuracy and efficiency of our billing operation, increasing collections for our clients. Parastar has also implemented the RescueNet ePCR and RescueNet Dispatch solutions for multiple high performance EMS agencies through management contracts and consultancies.
